

# PERFORMANCE SERIES WORKBENCHES - UP CLOSE

Upright beams channel cables from floor to upper shelving to ceiling.

Mounting and adjusting shelves is easy with our channel nuts and mounting hardware.

Cable trays built into the frame to keep wiring out of the way.

7-layer laminate coating on tabletops and shelves helps protect against damage.

Locking swivel casters snap right in with a single bolt.

Counters and shelves are supported with welded steel supports.

Versatile add on utility drawer. Mounts in just minutes.

Monitor bar swivels 360 degrees and tilts up to 40 degrees.

Keyboard shelf slides in and out.

Turn your bench into a fully-functioning Data Rack.
