

## **Child Safety Kit protects from hazards in home**

**The entire Army couldn't keep your toddler from trying to stick his or her fingers inside electrical outlets. In other words, you need help.**

**CableOrganizer.com's Child Safety Kit includes more than 100 items intended to prevent common household hazards among children age 5 and younger.**

**Among other things, the kit includes: swiveling outlet covers, cabinet and drawer locks, table corner cushions for sharp edges, clear outlet covers, an extension cord with self-blocking outlets, cord winders for containing trailing wires and releasable cable ties for wrapping cables or tying cabinet doors.**

**You can order the kit at CableOrganizer.com/child-safety-kit or by calling 866-222-0030.**

**Cost is \$57.84.**
