CableOrganizer[®].com Now Offering Over 130 Corning[®] Fiber Optic Cabling Products in its Comprehensive Online Catalog

Industry-leading purveyor of cable, wire and equipment management solutions offering a comprehensive array of Corning solutions for indoor, outdoor, aerial, riser and plenum applications

FORT LAUDERDALE, FL, December 10, 2007 – Award-winning Internet retailer CableOrganizer.com, among the world's leading purveyors of cable, wire and equipment management-related products for use in business and at home, today announced that it is now offering more than 130 cabling products manufactured by Corning – the world leader for fiber optics – all available to consumers through its industry-leading online catalog located at <http://CableOrganizer.com>.

"From the time they introduced fiber optic technology in the 1970s, Corning has remained the world authority on the technology," notes Paul Holstein, co-founder and COO of CableOrganizer.com. "As such, we're proud to offer our customers a full line of Corning solutions for a wide range of applications, including indoor, outdoor, aerial, riser and plenum."

Corning has set the standard for fiber optic networks worldwide, today producing a full 40% of the world's total supply of optical fiber. Among others, CableOrganizer.com offers Corning's MIC[®], FREEDM[®] and ALTOS[®] lines. The company is also a leading source for Corning's UniCam[®] fiber optic connectors and termination tool kits, as well as Corning's wall-mount connector housings and the Quad Wavelength Intelligent Test Kit.

The following are among the Corning products CableOrganizer.com carries:

Corning UniCam[®] Connectors
