Bet They Don't Have One of *These*: Ooh-and-Ahhh-Inspiring Holiday Gifts for People Who Have Everything

CableOrganizer.com eases the Holiday Shopping Blues with creative gift ideas for the "Impossible-to-Buy-Fors" on your list

FORT LAUDERDALE, FL, November 24, 2010 – The 2010 Holiday Shopping Season is in full swing, complete with throngs of would-be gifters scratching their heads in consternation and agonizing over what to buy for loved ones who seem to have everything. "With the way that many people continuously treat themselves to the latest gadgets, accessories and styles throughout the year, it can be a real challenge to actually surprise and delight someone with a holiday gift," notes Christina Hansen, a Product Specialist with leading eTailer CableOrganizer.com. "But it's not impossible – you just have to shop outside the box."

Hansen and CableOrganizer.com suggest a few unique gifts that are sure to surprise and even get a few "oohs" and "ahhhs" out of the toughest-to-buy-for on your holiday gift list.

[Ion USB Turntable with iPod® Dock](#)

Perfect for the music fan whose heart is split between their iPod and their old vinyl collection, this high-tech turntable digitizes the music on 33 and 45 rpm records, and stores it on your PC, Mac or iPod. Includes a slipmat, 45 rpm adapter, USB cable and CD-ROM with editing software, so you can digitally edit, organize and clean up the restored tracks. (\$343.50) More info and to buy: <http://cableorganizer.com/outlet/EFL-2040768.html>

[3M MPro Pocket Projector](#)

At roughly 5" x 2½" x 1", this pint-sized projector is small enough to slip into any pocket, but has the skills to impress any has-it-all gadget freak. It's perfect for everything from on-the-go business presentations to movies, and gives you a way to view PowerPoint® slides, photos and movies anytime, anywhere. Just hook it up to a laptop, or go with the built-in flash drive for wireless content. Fully equipped with sound and 3 LEDs for rich, sharp images, the MPro projects up to a 50-inch screen size on any flat surface. (Starting at \$325.35) More info and to buy: <http://cableorganizer.com/3M/mini-pocket-projector/>

[Belkin Rockstar Headphone Splitter](#)

Designed for MP3 lovers who can't stand to listen alone, this star-shaped, 5-way headphone and earbud splitter lets the main listener and up to 4 friends rock out to the same tracks all at once. It's small enough to toss into a pocket, purse or book bag, is compatible with any iPod or MP3 player, and is way more fun (and hygienic) than passing around a single pair of earbuds. (\$20.06) More info and to buy: <http://cableorganizer.com/outlet/EFL-1900503.html>

[GoBe™ Portable Solar Power System](#)

Made for outdoorsy types who like to enjoy the finer things while getting away from it all, the GoBe™ Solar Power System is the green way to power up when there isn't an outlet in sight. Made up of a briefcase-sized solar panel and a portable battery pack, this on-the-go power system soaks up the Sun's rays so that you can power laptops, cell phones, lights, fans and more. Includes a DC adapter for optional car charging. (\$180.26) More info and to buy:

<http://cableorganizer.com/gobe/>

[Wireless Indoor/Outdoor Speakers with Remote](#)

For the music-loving entertainer who craves the sounds of their favorite playlists no matter where the party ends up. This portable indoor/outdoor speaker set can be set up in another room or even in the yard, without the need to move your stereo or iPod, or even run cables. Just position the speakers, connect the wireless transmitter to your music source, grab the remote, and get ready to groove. Requires 12 C batteries. (\$142.62) More info and to buy:

<http://cableorganizer.com/outlet/EFL-1900558.html>

[BlueLounge StudioDesk](#)

Form has met Function, and wow, are they getting along! The BlueLounge StudioDesk is perfect for stylish laptop-toting students and disorganized techies alike, and proves that organization can be a beautiful thing. It's compact, but gives plenty of room to work on a laptop, and has a secret compartment in which to stash power strips, USB hubs, cables and more. And being built of solid mahogany, sleek white laminate and faux leather, it looks hot, too. (\$547.20) More info and to buy: <http://cableorganizer.com/blue-lounge-designs/studiodesk/>

Consumers may order a wide selection of holiday tech gifts online at <http://CableOrganizer.com> or via toll-free telephone at 1-866-222-0030.
